Notes to Condensed Interim Consolidated Financial Statements

Nine Months Ended March 31, 2013 and 2012

(Expressed in Thousands of Canadian Dollars)

(Unaudited)

1. Nature of Operations

Melior Resources Inc., (the "Corporation"), is a Canadian investment company focused on making strategic investments in, and developing, resource based opportunities offering capital appreciation potential.

On September 28, 2011, the Corporation changed its name to Melior Resources Inc. Effective September 29, 2011, the common shares and warrants commenced trading on the TSXV under the symbols MLR and MLR.WT.B, respectively.

The Corporation is incorporated under the laws of the province of British Columbia, Canada. The Corporation's principal place of business is 120 Adelaide Street West, Suite 2500, Toronto, Ontario, Canada.

On March 16, 2012, the Corporation completed the sale of all of the common stock of its wholly-owned subsidiary, Coalcorp International, AVV, which was the holding company for all of the Corporation's off-shore subsidiaries.

On October 1, 2012, Pala Investments Limited ("Pala") made an offer to purchase, for \$0.11 per share in cash, all of the outstanding Common Shares of Melior it did not own. The Offer included any Common shares that may have become outstanding after the date of the Offer and prior to its expiry, upon the exercise of options, warrants or other rights to acquire Common Shares. The Offer was extended to December 21, 2012, at which time it expired. As at March 31, 2013, Pala owned directly or indirectly 54.52% of the Company's issued and outstanding common shares.

2. Summary of Significant Accounting Policies

Statement of compliance

The Corporation applies International Financial Reporting Standards ("IFRS") as issued by the International Accounting Standards Board ("IASB") and interpretations issued by the International Financial Reporting Interpretations Committee ("IFRIC"). These condensed interim consolidated financial statements have been prepared in accordance with International Accounting Standard 34, Interim Financial Reporting. Accordingly, they do not include all of the information required for full annual financial statements required by IFRS as issued by IASB and interpretations issued by IFRIC.

The policies applied in these condensed interim consolidated financial statements are based on IFRSs issued and outstanding as of May 7, 2013, the date the Board of Directors approved the statements. The same accounting policies and methods of computation are followed in these condensed interim consolidated financial statements as compared with the most recent annual consolidated financial statements as at and for the year ended June 30, 2012. Any subsequent changes to IFRS that are given effect in the Corporation's annual consolidated financial statements for the year ending June 30, 2013 could result in restatement of these condensed interim consolidated financial statements.

New standards not yet adopted and interpretations issued but not yet effective

There are no relevant changes in accounting standards applicable to future periods other than as disclosed in the most recent annual consolidated financial statements as at and for the year ended June 30, 2012.

3. Discontinued Operations

Under the terms of the agreement for the sale of Coalcorp International AVV noted in the annual consolidated financial statements for the year ended June 30, 2012, the Corporation is entitled to receive, subject to certain terms and conditions, a share of net recoveries of cash, if any, that the purchaser receives as a result of winding up or re-organizing any of the Coalcorp International AVV subsidiaries. During the period ended March 31, 2013, the Corporation received \$1,141(US\$1,138) from the purchaser of Coalcorp International AVV for its share of cash recovered. The \$1,141 (US\$1,138) was recognised as a gain from discontinued operations.
