MELIOR PROVIDES POSITIVE UPDATE ABOUT PROGRESS AT THE GOONDICUM MINE PROJECT

Toronto, Ontario, Aug 03, 2018 - Melior Resources Inc. (TSXV: “MLR”) (“Melior” or the “Company”) today updated the market about the progress being made at its Goondicum Ilmenite Project towards the commencement of production.

**Progress as at 28th July**

The construction project is on budget and on schedule for a start of production in November 2018.

The overall project, including procurement and construction activity, is 44% complete with 5,500 manhours per month, equivalent to 27 full time personnel, in place and ready to deliver the remainder of the project over the next three months. No lost time safety or environmental incidents have been recorded to date.

Mark McCauley, Melior CEO, said, “We are very pleased by the steady and efficient performance of the Goondicum team and all contractors. Mine construction is always subject to unpredictability, so it is pleasing to see that we are on track to meet our target.”

Figure One, below, shows the estimated progress of each of the individual activities followed by photographs of work completed.
Photo 1 – newly installed lime storage silo

Photo 2 – installation of the ROM drive over unit progressing
Photo 3 – installation of the WHIMS wash water tank and pump

Photo 4 – WCP roof removed for equipment relocation

The next project update will be provided in early October.
