MELIOR PROVIDES POSITIVE UPDATE ABOUT PROGRESS AT THE GOONDICUM MINE PROJECT

Toronto, Ontario, Sept 20, 2018 - Melior Resources Inc. (TSXV: “MLR”) (“Melior” or the “Company”) today updated the market about the progress being made at its Goondicum Ilmenite Project towards the commencement of production.

Progress as at 14th September

The construction project remains on budget and on schedule for start of production in November 2018.

The overall project, including procurement and construction activity, is 77% complete with just under 14,000 manhours worked to date. No lost time safety or environmental incidents have been recorded.

Mark McCauley, Melior CEO, said, “The site is looking fantastic and the project remains on track for start of production in November. An experienced operations team is starting to assemble on site with detailed planning of the soon to be commenced commissioning process being the focus for the team.”

Figure One, below, shows the estimated progress of each of the individual activities followed by photographs of work completed.
